ACTRESS TELLS SECRET

A Well Known Actress Tells How to Darken Gray Hair With a Simple Home Made Mixture.

Joicey Williams, the well known American actress, who was recently playing at the Imperial Theatre in St. Louis, Mo., made the following statement about gray hair and how to darken it:

"Any one can prepare a simple mixture at home, at very little cost, that will darken gray streaked or faded hair, and make it soft and glossy. To a half pint of water add 1 ounce of bay rum, a small box of Barbo Compound, and ½ ounce of glycerine. These ingredients can be bought at any drug store at very little cost, or any druggist can put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make gray-haired person look 20 years younger. This is not a dye, it does not color the most delicate scalp; it is not sticky or greasy and does not rub off.—Advt.

HOLUB SENT TO PRISON FOR SWINDLING WOMEN

Maximum Sentence Imposed on Invincible Broker Is Eight Years and Four Months.

John Holub, invention broker, who was convicted for operating a get-rich-quick swindle among gullible women, on his plea of guilty after his escape to Texas and subsequent arrest, was sentenced to serve not less than four years and two months, and not more than eight years and four months in Sing Sing by Judge Wadham in General Sessions to-day.

Holub was sentenced chiefly upon the testimony of 25 women who said that he had swindled them of sums ranging from \$300 to \$5,000. Holub even promised to get husbands for many of them in addition to big profits on their "investments," they said.

Assistant District Attorney Dooling told the court that Holub's operations had taken in \$50,000. When arrested Holub had only \$5. He said that he had been fleeced of large sums in Mexico, but that high living had dissipated most of the funds.

HOW THIS NERVOUS WOMAN GOT WELL

Told by Herself. Her Sincerity Should Convince Others.

Christopher, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."—Mrs. Alice Heller, Christopher, Ill.

Nervousness is often a symptom of weakness or some functional derangement, which may be overcome by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, as thousands of women have found by experience.

If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for suggestions in regard to your ailment. The result of its long experience is at your service.—Advt.
